SUMMARY

I am Arun Ahirwar, a final-year B.Tech student branch in Computer Science at Ajay Kumar Garg Engineering College, Ghaziabad. With a solid foundation in web development and a passion for creating interactive and user-friendly web applications, I specialize in HTML, CSS, JavaScript, and React. My hands-on experience includes developing an e-commerce platform, Smart Farmer, and a social messaging platform, Quick Connect. I am dedicated to continuously learning and improving my skills, as evidenced by my certifications in web development and digital marketing. I am eager to apply my knowledge and enthusiasm to a frontend developer internship, where I can contribute to impactful projects and further hone my technical abilities.
